This airworthiness certificate is issued under the authority of Title 49 United States Code 44704 and Title 14 Code of Federal Regulations. Any alteration, misuse or reproduction for a fraudulent purpose of this certificate may be punishable by the certificate revocation, fine and / or imprisonment. THIS PORTION OF THE CERTIFICATE MUST BE DISPLAYED IN THE AIRCRAFT PER THE APPLICABLE REGULATIONS	

--Conditions and Limitations--

Does not meet the airworthiness standards of Annex 8 to the Convention on International Civil Aviation. Operations in airspace will require the permission of the applicable foreign authority. That permission must be carried aboard the aircraft together with this certificate and, upon request, be made available to an FAA inspector or the applicable foreign authority in the country of operations. Operations may be further restricted by the applicable foreign authority. This may include not allowing use of an airport, requiring restricted flight over specific areas. The operator must comply with any additional limitation prescribed by the applicable foreign authority in its airspace. (1)
