REMARKS:

Logbooks - We digitize ALL logbooks available, if it's not digitized then it's not available unless otherwise noted.

Times are per logbook entries and current tach time. Logbooks start in 1959 with 683 aircraft hrs. Total time is based on this number. Aircraft logbook states the aircraft had 858 hrs before engine was installed. Using the aircraft total time of 2,081.2, that would mean the engine has been in the aircraft for 1,223 hrs and had a total of 477.30 hrs when installed. Total time for engine is 1,700. OH listed in engine and aircraft logbook states it was done at a tach time of 1,123. Review logs and make your own determination. Engine has been removed, disassembled and in a box.

Bidding Information: By submitting a bid, buyer understands that aircraft details are provided as best to our ability often through logbooks. Buyer acknowledges that they have had the opportunity to inspect and evaluate the aircraft salvage before submitting bid. It is the bidder's responsibility to verify the current condition of the salvage prior to bidding. In most cases the aircraft has been disassembled to facilitate movement into a storage facility. Underwriters Salvage Company cannot guarantee that all logs or records for any item are 100% complete or accurate. All items are sold "AS IS – WHERE IS" with no exceptions and with no refunds. Underwriters Salvage Company makes no expressed or implied warranties as to condition, fitness for purpose, value, airworthiness, operation, or performance of any kind whatsoever with respect to the sale of any item. Underwriters Salvage Company will not be responsible for the storage, safety or security of any item once released to the buyer. After the lot closes, the Seller will decide either to accept or reject the high offer. A Seller award decision is expected within ~10 business days of the close date and you will be notified with instructions.

Condition of Salvage – By purchasing this salvage this sale is on an as-is, where-is, all faults basis. There are no warranties, express or implied, of any nature. The seller and Underwriters Salvage Company, Inc. completely disclaim and successful bidder waives any liability in tort or warranty of merchantability or fitness for a particular purpose. The successful bidder bears all risks regarding the condition, usability, workability and operability of all of the salvage. The successful bidder agrees that it will comply with all state and federal regulations regarding transporting, handling, sale, disposal or any use whatsoever of the salvage and will indemnify the seller and its insurers from any claims, damages, expenses, legal fees or fines sought by any third party in connection with the transporting, sale, disposal or use of the salvage once it is purchased. The successful bidder releases Underwriters Salvage Company, Inc., the broker, the seller, the consignor, as well as the storage facility, the airport, the landlord, or tenant, where the salvage may be stored, from any and all claims, or lawsuits by the undersigned relating in any manner to the referenced salvage. The successful bidder disclaims, waives and agrees to save and hold harmless, and to defend those on whose behalf this release is issued from any and all actions, claims, or lawsuits that may arise as a result of the salvage by the successful bidder. This release, disclaimer, waiver and agreement to save, hold harmless and defend, is also intended to bind the purchaser's successors, spouse, children, heirs, business associates and the undersigned's insurance carriers.
