REMARKS:

Logbooks - We digitize ALL logbooks available, if it's not digitized then it's not available unless otherwise noted.

Times are per logbook entries and tach photo

Wings have been removed

Prop logbook has no entries

Aircraft logbook reflects some discrepancies in total time. 1,759 total time on 12/23/04, then on 3/8/08 it states 1,559 total time. Engine logbook reflects more TSMOH than what the numbers work out to be. TSMOH was done at an aircraft total time of 1,586 per engine logbook entry on page 22.

Make your own determination.
